▼ Checklist

1. Review Event Details

2. Review and Accept Prerequisites

3. Select Lots/Line Items

4. Submit Response

Prerequisites must be completed prior to participation in the event.

In consideration of the opportunity to participate in on-line events ("On-Line Events") held and conducted by the company sponsoring this On-Line Event ("Sponsor") on the web site (this 'Site') hosted by Ariba, Inc. ("Site Owner"), your company ('Participant' or 'You') agrees to the following terms and conditions ("Bidder Agreement"):

1. Price Quotes. Except to the extent Sponsor allows a non-binding bid, all Bids which Participant submits through the On-Line Events are legally valid quotations without qualification, except for data entry errors.

2. Confidentiality. Participant shall keep all user names and passwords, the On-Line Event content, other confidential materials provided by the Site and/or Sponsor, and all bids provided by You or another participating organization in confidence and shall not disclose the foregoing to any third party.

3. Ethical Conduct. All parties will prohibit unethical behavior and are expected to notify the Site Owner by contacting the appropriate project team if they witness practices that are counter-productive to the fair operation of the On-Line Event. If Participant experiences any difficulties during a live On-Line Event, Participant must notify Site Owner immediately.

- If the system unable to redirect to the bid

The screenshot displays the SAP Business Network dashboard. At the top, the URL is <https://portal.us.bn.cloud.ariba.com/dashboard/?tppLoginMode=ULP>. The user is logged in as 'InPrivate'. The main navigation bar includes 'Business Network' (highlighted with a red box and a red circle '1'), 'Standard Account', and a 'Get enterprise account' button. A dropdown menu for 'Business Network' is open, showing options: 'SAP Business Network', 'Ariba Proposals & Questionnaires' (highlighted with a red box and a red circle '2'), 'Ariba Contract Management', and 'SAP Fieldglass'. A blue notification bubble says 'item to check! store is a place where you purchase packages.' Below the navigation bar, there are filters for 'Leads', 'In Location', and 'By Product'. The dashboard features four key metrics cards: 'Open postings' (0, Last 90 days), 'Matched Leads' (0, Last 90 days), 'Invited Leads' (0, Last 90 days), and 'Enablement Tasks' (0). Under 'My widgets', there is a '416% three-year ROI' widget (with a note: 'when suppliers use SAP Business Network consistently'), a 'Profile Views' widget showing '0.0 views' for 'Last 3 months', and a 'Company profile' widget showing '35% Completed' with a green progress bar.
